United We Stand

Hello Friends,

Commitment, love, responsibility: these principles define marriage and family. These principles bind us together, allow us to support one another, and lend us strength when we need it most.

These principles are also what this campaign is about. [Minnesotans United for All Families](#) is a coalition made up of faith organizations and small businesses; labor unions and arts groups; community leaders and elected officials; Republicans, DFL'ers, Greens and Independents. Together, we stand up for *every* family.

You can help us build a strong coalition.

Do you work for or belong to an organization that would like to become part of our coalition? Visit the [About](#) page on our website and see our growing list of partners. Then bring our [Coalition Organization Form](#) to your next staff or board meeting. Only with your help, and the help of our partners, will we defeat this anti-family amendment.

United we stand, but divided we fall: our country is based on this principle. Marriage is based on this principle and so is our campaign. We need the unity our coalition provides to rally this campaign and build the momentum we need to win.
